Multifuncton Charger

EG0208

—

Product Highlights

Multifuncton Charger

Materials: ABS plastic

Functions：Support IPhone/Micro/Type-C

Wattage: 10W

Input :5V /2A

Output :5V /1A

Frequency response:100HZ-205KHZ

Conversion rate:73%

Charging port: Micro USB

Product size:6*7.5CM

Stand-alone flash charge
It doesn't affect each other
Technology makes life easier，Charging New Upgrade
Apple interface
Type-Interface
Micro Interface

Match a variety of products

It's quick and easy

It doesn't affect each other

Type-C
Interface input
Constant and steady power supply,At the same time to ensure that the appearance of fashion simplicity

It's not just a car charger
It's also a desktop stand
