Rate of wierless charge 15W

A black digital alarm clock with a white border is shown on a reflective surface. A smartphone is placed horizontally on top of the clock. The clock's LCD display shows the time 10:30 in large white digits, with 'PM' in smaller digits to the right. On the left side of the display, there are four small icons: a Bluetooth symbol, a plus sign, a square with a circle inside, and a square with a dot inside. The background is a soft-focus image of a cloudy sky.
