

TWS Earphone with Wireless charge

AEP-0203

Product parameters

Specifications

- Materials: ABS
- Earphone battery capacity: 42 mA
- Powerbank for phone
- Wireless charge connected with
- wireless powerbank
- Storage box battery capacity: 400mA
- Playing time: 4-5 hours
- Bluetooth version: 5.0
- Bluetooth distance: 10 meters Prot
- Box size: 44 * 21 * 54mm

**Storage box battery capacity
400 mAh**

Hall sensor switch

Bluetooth 5.0

10M high speed transmission over a long distance

TWS interconnection

Single ear use
Can be independently linked to two mobile phones

Compatibility

Microsoft system

Apple system

Android system

about company

- 12 years of experience in the industry

Jaskey Limited is a leading manufacturer of electronic components and assemblies, established in 1998. We are ISO 9001:2015 certified and have a strong track record of delivering high-quality products on time.

- Quality Management System

Our quality management system is based on the ISO 9001:2015 standard. We are also Sedex 4P and BSCI certified, ensuring ethical and sustainable practices.

- Customer Satisfaction

We are committed to providing excellent customer service and support. Our experienced sales and technical teams are available to assist you throughout the entire process.

- Global Reach

We have a global presence with sales offices in Europe, North America, and Asia. We are a member of Sawolol, a leading trade association in the industry.

- Payment Terms

We offer flexible payment terms, including T/T (30 days), LC, PayPal, and Western Union. We also accept Alipay for our Asian customers.

- Production Capacity

We have a large production capacity and can handle high-volume orders. Our facilities are equipped with advanced manufacturing equipment. Contact us at info@jaskeyworld.com for more information.

Our services include:

- **OEM/ODM** services

R&D services for OEM/ODM products. We can provide design and development services for your products. Lead time for mass orders is 3-4 weeks.

- Compliance

We are compliant with CE, ROHS, FCC, and BQB standards. We also have a strong focus on environmental and social responsibility.

- Mass Order

We are experienced in handling large-scale orders. Our production process is optimized for efficiency and quality.

Mass Order lead time: 25-35 days
