## about company

- 12 years of experience in the industry

Jaskey Limited is a leading manufacturer of consumer electronics products, established in 2008. We have a strong track record of providing high-quality products and excellent customer service to our clients worldwide.

- Quality Management System

We are ISO9001 certified and adhere to the highest standards of quality. Our products are tested rigorously to ensure reliability and performance. We also hold Sedex 4P and BSCI certifications.

- Environmental Management System

We are committed to environmental sustainability and have implemented a robust Environmental Management System (EMS) to minimize our carbon footprint and ensure compliance with all relevant regulations.

- Social Responsibility

We are committed to social responsibility and ethical business practices. We are a member of the Sawolol initiative, which promotes fair trade and ethical sourcing.

- Payment Methods

We accept various payment methods, including T/T (30 days), LC, PayPal, Western Union, and Alipay. We strive to provide a seamless and secure payment experience for our clients.

- OEM/ODM Services

We offer comprehensive OEM/ODM services, including design, development, and production. We have a dedicated R&D team and a state-of-the-art manufacturing facility. Contact us at [info@jaskeyworld.com](mailto:info@jaskeyworld.com) for more information.

Quality Control

- OEM/ODM Services

We offer comprehensive OEM/ODM services, including design, development, and production. We have a dedicated R&D team and a state-of-the-art manufacturing facility. Contact us at [info@jaskeyworld.com](mailto:info@jaskeyworld.com) for more information.
