Big dancing water speaker Advantage:

This Pair of Dancing Fountain Speaker can be connected to any device which has a 3.5mm Audio Jack. The Dancing Fountain Speaker delivers amazing sound anywhere you happen to be, music and movies never sounded so good. The Dancing water speaker set is an easy way to spice up your music, and can change the feel of a house in seconds. Just plug these speakers into your music player and let the party begin! The four multi-coloured LED lights reflect off the water as it shoots out of the

base creating many awesome visual effects. These speakers are light weight, portable and extremely versatile. Just add your favourite tunes, sit back and watch the wild light and water show that will be an instant hit.
